

DAMOLA ADEWALE

Product Manager | San Francisco, CA | damola.adewale@email.com | (415) 555-0192 | linkedin.com/in/damolaadewale

SUMMARY

Results-driven Product Manager with 6+ years of experience shipping AI-powered products across B2B SaaS and fintech. Led cross-functional teams of 8-15 engineers, designers, and data scientists. Proven track record of driving 40%+ engagement improvements and \$12M ARR growth through data-informed product strategy.

EXPERIENCE

Senior Product Manager — Lightforth AI

San Francisco, CA | Jan 2024 – Present

- Launched AI-powered resume builder that increased user conversion by 42% and reduced time-to-apply from 45 min to 8 min
- Dropped auto-apply feature from 0 to 12K monthly applications, generating \$2.4M in new ARR within 6 months
- Managed product roadmap for 3 product lines serving 85K+ active users across web and mobile platforms

Product Manager — Stripe

San Francisco, CA | Mar 2021 – Dec 2023

- Owned merchant onboarding flow, improving completion rate by 38% through progressive disclosure and smart defaults
- Led Stripe Capital lending product launch, originating \$180M in SMB loans in first year
- Ran 24 A/B tests per quarter, establishing experimentation culture that reduced feature failure rate by 25%

Associate Product Manager — Notion

San Francisco, CA | Jun 2019 – Feb 2021

- Shipped Notion API platform, enabling 500+ integrations and growing developer community to 12K contributors
- Designed and launched team workspace features that increased enterprise plan adoption by 28%
